Board of Revenue.

F. W. Stewart Esq., C.I.E., M.C., I.C.S.,
Commissioner of Land Revenue, .

Read the following:-

Letter from J.W. Pritchard Esq., I.C.S., Collector
of Bellary, R.C.No. 3058/38.A.3. dated 26th
September 1938.
Letter from F. M. Dowley Esq., M.I.C.E., Chief
Engineer for Irrigation, No. 3701/38 C.E.P.
dated 18th January 1939.
Board's Refce. H. 2364/38-4 dated 3rd April 1939.
Letter from A.D. Crombie Esq., C.I.E., I.C.S.,
Collector of Bellary, R.O.C. 3058/38-A.3.
dated 13th July 1939.

REFERENCE.-

In his letter R.C.No. 3058-A.3. dated 26th
September 1938 the Collector of Bellary reported that the
village of Magalam in Hadagalli Taluk was one of those --
likely to be submerged if the Tungabhadra project materialised.
He therefore proposed in consultation with the Executive

Engineer, Bellary, that it might be included in the list of project affected areas published in G.O.No.763 Revenue dated 9th April 1937 as amended by G.O.No.Ms.1039 Revenue dated 22nd April 1938.

2. The Chief Engineer for Irrigation who was consulted on the Collector's proposal stated that Magalam was one of the twenty villages affected by the Bellary West Canal project recorded in G.O.No.1020-I dated 11th April 1928. Of these, 17, 16-17 of (A) twenty, 16 already find place in the list of villages under Tungabhadra project (1929 scheme) Vide page 2 of G.O.No.763-Reu (I) dated 9th April 1937. The remaining four are (i) Binakapuram (ii) Bachinahalli Chitugodu (iii) Thimmalapuram and (iv) Magalam. The Chief Engineer stated that until the revised Tungabhadra project was worked out in all its details it was difficult to say how far these villages would ^{be} affected. He ~~XXX~~ suggested as a safe course that all the four villages in question might be included in the list under the Hadagalli Taluk.

3. The Board has ascertained from the Collector that in the shrotrium of Binakapuram referred to above there are no waste lands at the disposal of the Government. The Board, therefore, considers it unnecessary to include it in the list of project affected areas, which is intended to include only such of the Villages as contain waste lands at the disposal of the Government. The Collector also reports that 'Bachinahalli' is a mistake for 'Bachigondanahalli' and that 'Chitugodu' is its hamlet. The name of the parent village 'Bachigondanahalli' already finds place in the list of project affected villages.

The two remaining villages are 'Magalam' and 'Thimmalapuram'. The Board recommends that they may be included in the list of villages, published in G.O.No.763
